

8th Grade Science

Introduction to Matter Book

Chapter Five: The Periodic Table (pg 104-129)

For each word listed below, write the word on a piece of notebook paper, underline the word and then write the definition after the word. (Students are encouraged to take the definition from the actual text because that is the definition that will be used on quizzes and tests).

Vocabulary:

Periodic periodic table of elements

periodic law Period

group alkali metals

alkaline-earth metals

Transition metals

halogens noble gases
