

7th Grade Science Book B Animals

Chapter One: Animals and Behavior

Section Three: Social Relationships (pg 14-17)

For each word listed below, write the word on a piece of notebook paper, underline or highlight the word and then write the definition after the word. (Students are encouraged to take the definition from the actual text because that is the definition that will be used on quizzes and tests).

social behavior communication pheromones
prides

Answer each of the following questions on a piece of notebook paper, in a complete sentence, restating the question in your answer. Failure to follow these rules will result in the student having to rewrite the assignment to earn their points.

1. Explain how you communicate.
2. Name six reasons for animals to communicate.
3. In what four ways do animals communicate?
4. What is the waggle dance and what is it used for?
5. Give three reasons it is an advantage for animals to live in groups.
6. What are three disadvantages for animals living in groups?
7. How fast could a bee that flies 6 km/h reach a flower that is 1.2 km from the hive?
