

Vertebrates & Invertebrates Foldable

*** Fold a piece of notebook paper in half**

HAMBURGER style

*** Cut one side of the paper in half to make two flaps**

*** Glue the uncut side into the INB**

1. On the front of the 2 flap foldable write vertebrate on one flap and invertebrate on the other.

2. On the front flaps draw 4 pictures of animals that fit into those groups

3. Under the flaps on the glued side, write the definition for the word on that side

4. Under the flaps list 5 characteristics of each animal group
