Arrivals & Departures at school

1. Preschool is located in the portable between the Middle School and the District Office (old grade school building).
2. If someone else is picking up your child other than his/her normal person, please either call the office or talk to the preschool staff, even though that person maybe on your child's pick up list. We will not release your child to anyone without your authorization. It is also best if you also let your child know about the change in plans. **Preschool Room Phone: 360-446-9150**
3. We have arrival and departure routines for each child. On our way to the classroom, they use the restroom and wash hands. When they enter the classroom, they are to hang up their coats, store their personal items in their cubby, and then sign in. The departure routine is the arrival routine backwards.

Behavior Guidelines

1. We have one basic rule in the classroom:

A child cannot hurt another person, cannot hurt themselves and cannot hurt the school property. This relates not only to physically hurting, but also verbally hurting. Children at our preschool need to feel safe and to learn to respect themselves, others, and property.

2. Changing Behavior:

In the book, 'The Power of Guidance' by Dan Gartrell, uses the term mistaken behavior instead of misbehavior. When a teacher looks into a situation with understanding, they can figure out the reason why the child behaved in a certain way and what they could teach so that the child could behave differently the next time. The preschool staff will use positive statements as our first step in correcting behavior. We will let a child know what he/she can do instead of telling him/her what not to do. Unless it is a matter of safety, we try not to use "no" or "don't" when instructing a child. A time out can be used to help the child regain a safe body.

3. Discipline Procedure:

- a. We give gentle reminders and are consistent with expectations, follow through, choices and consequences. We acknowledge appropriate behavior and do not draw attention to the negative whenever possible. What you pay attention to is the behavior you will encourage.
- b. Children will be encouraged to solve their problems with teacher supervision and come to an agreeable solution. Learning to get along and work out disagreements in positive ways is important to life long relationships.
- c. "Time Out" will be used as a last resort. The child will have a timer and the time out will last for less than five minutes. Redirection and withdrawing from the situation are the main idea for time out. In any problem situation, we will listen to each child involved and help them work out a suitable solution. Again, it is never OK to hurt another child.
- d. Chronic or serious problems will be discussed with the parents. We find working as a team benefits your child.
- e. If you have concerns about your child's behavior, consult Preschool Staff about what is age appropriate and what could be a possible problem.

Health & Safety of your child: We are following the Thurston County Health Dept Guidelines

Your child's health and safety is a matter of major importance to us. Your child may be sent home if he/she appears to have symptoms of illness during school. In such cases, he/she is immediately isolated from others or sent to the nurse's office to wait while a parent or responsible person is contacted.

Please keep your child at home if he/she:

- Has a fever or had one in the previous 24 hours
- Has had a bad cold that is less than four days old
- Has a heavy nasal discharge
- Has a constant cough
- Is fussy, cranky, and generally not him/herself
- Is just tired (rest at such times may prevent the development of serious illnesses)
- Has symptoms of a possible communicable disease such as sniffles, reddened eyes, sore throat, headache or abdominal pain, fever. (Please notify the school at once if the child does have an infectious disease.)

- Has an unchecked rash or pink eyes. Please don't send your child into the classroom leaving us wondering what has caused a rash or pink eyes. We then have to take time to call you, find out if it has been checked or medication given.

Child Abuse, Neglect, or Exploitation

We, as school employees, are mandated by law to report to CPS any concerns of abuse, neglect and/or exploitation.

Children's Privacy

Many pictures and videos are taken throughout the year. We will use these in gifts, projects, end of year programs, school yearbook, and to post on the school's website. Please notify us if you DO NOT want pictures of your child released to others. You can mark to not have your child's photo posted through Skyward Family Access at any time, or on the paper Emergency Form.

Show & Share

Show and share items will be kept in their cubby until time to share. The preschool staff will not be responsible for lost items. Toys brought from home may be shown but not played with at school. The toys can cause a distraction in the classroom setting. Toys that are or can be made into pretend weapons are not allowed at school.

Other

- Please send your child with an extra set of clothes in his/her backpack.
- Please check your child's backpack for papers and school notices.
- Your child may share a special treat on his/her birthday. Please notify the Preschool Staff in advance.
