NOTE FROM THE NURSE

THANK YOU to all parents/guardians who took the time to fill in an Annual Health History form. Of the many forms you do for registration, I appreciate this one. This form gives the school/your school nurse our baseline health information on students, including if a student is normally healthy and without health issues. During the school year, if your child has a new health issue that the school should know about, please contact the Debs or me, you can email me at nursekendra@rainier.wednet.edu.

UPDATED THURSTON COUNTY COVID GUIDELINES FOR SCHOOL

Thank you for keeping your child at home if he/she is showing signs of illness. For more information please see the [Thurston County Pathways](#) for students and staff with symptoms of illness.

ATTEND TODAY, ACHIEVE TOMORROW!

Your child's daily, on-time attendance is critical to their success in school. When your child is not in class, they are missing out on critical learning. This puts them at risk of falling behind and not graduating from high school. Even as little as two absences in a month, whether they are excused or unexcused, can make a big difference, from kindergarten through their senior year.*

At 9:00 AM, the attendance secretary, Debbie Ortmayer, starts calling the parents of unexcused absent students. If you know your child will be absent, please call the school as soon as possible: 360-446-4020. Attendance can also be entered through Skyward Family Access if entered before 9:00 AM.
