What are candy grams:

Candy grams are a fundraiser put on by the high school's National Honor Society. Students, teachers, and parents are able to purchase grams for others. Grams are a half sheet of colorful paper with a fun winter design on them. The sender will write the name of the recipient on the back of the gram along with their teacher's name or first hour class, and then compose a written message inside the gram. They will be delivered on Thursday, December 14th and the recipient will receive a candy of their choice along with the gram!
