

# Introducing InTouch Receipting

**Rainier School District has an online program that makes it easier to pay for student fees, fundraisers, donations, field trips, and more. All schools accept online payments, using credit cards and Visa/Mastercard debit cards. The cost is \$0.60 a shopping cart, no matter how many items are in the cart. Payments can be made at the office windows using cash, checks or credit card. In-person payments do not have the \$0.60 charge.**

The system, known as InTouch, provides a more convenient method for parents to take care of payments for their students without the worry of money being lost between home and school. Parents have the ability to see their payment history anytime, online.

In order for parents/guardians to use the InTouch system for online payments, they must have an account set up in the Skyward Family Access. This is the same system that allows parents to view their child's attendance, grades, classes, and more.

- Parents with an existing Skyward Family Access account should visit <https://wa-rainier.intouchreceipting.com/> and follow the directions on the screen. Parents/guardians will be able to select from a list of options including paying for lunches, field trips, class fees, and more.

For parents/guardians that do not know their Skyward Family Access

- account login and password, please contact your child's school.

All payments made in school offices are receipted through the InTouch system allowing parents/guardians to have access to digital receipts for all student purchases made at school.

We are excited to provide parents and guardians with this tool to make payments faster and more convenient. If you have any questions about InTouch, please call your child's school office.

Thank you for your support of Rainier School District. .
