City of Rainier’s Annual Tree Lighting
Come join the fun at Holiday Park (Gazeebo by Rainier Middle School) for the annual tree lighting! There will be cocoa, snacks and most importantly, Santa! Get your family into the Holiday spirit with your community. Santa will be checking his list to see if you’re there!

December 1, 2017 from 6:00pm to 8:30pm
Kid’s Holiday Bazaar and Santa Social
The Rainier Elementary Booster Club will be holding its Kid’s Bazaar and Santa Social in the Rainier Elementary Gym. This bazaar allows the kids to shop without their loved ones seeing what they are buying for them. There will be many vendors providing affordable gifts ranging from 50 cents to $10. If your child needs help shopping without you, they will be happy to help them. There is even a gift wrapping station!

Santa will be there for the kids to tell him their Christmas wish list. Please bring your own camera to capture the special moment. There will not be a photographer on site. They will be providing Free cookies, cocoa, cider and coffee. There will be door prize drawings throughout the night. The kids can even make a fun craft project to take home.

To be a vendor at this event or if you have questions please contact: Kelly Hill @253-250-1010 or email @Hill.kelly9@gmail.com

Please make checks to Rainier High School.
Dear Parents and Guardians,

The winter season is upon us. Our district staff understands that our decision to open or close schools in bad weather has a big effect on families. We also understand that our students are better served - both academically and socially - by being in school. But as always, our top priority is the safety of our students.

HOW DO WE MAKE OUR DECISION?

Please understand that we make the decision to open or close the schools in bad weather based on a careful analysis of all relevant factors, such as:

- Information on road conditions from transportation staff and from the police. We must give careful consideration to the most dangerous roads in the district. Even if your street looks clear, travel elsewhere in the district may be dangerous. Also, we must consider that some high school students drive to school.
- Amount of snow and ice accumulated.
- Whether precipitation is continuing.
- Building conditions (such as whether we have electricity and heat).
- Parking lot conditions. Administrators talk to maintenance and custodial staff members who are responsible for clearing and treating school parking lots and sidewalks.
- Temperature and wind chill. Please remember that some of our students walk to school and some must wait outside for the bus.
- Weather predictions. We prefer not to make our decision based on weather predictions, which are not always accurate. But sometimes this is unavoidable.
- What other school districts are doing. We also share information with other local districts and check whether they are opening or closing.

WHO MAKES THE DECISION?

As superintendent of schools, I am responsible for the final decision, based on the above factors and recommendations from the director of transportation and the director of building facilities.

HOW IS THE PUBLIC NOTIFIED?

Tune to local radio stations (KGY 95.3 and MIXX 96.1 FM radio) for up-to-date information on school closings. You can also follow our district on our district website www.rainier.wednet.edu Families will also be notified by text, voice and email if you are in our system.

WHEN IS THE DECISION MADE?

I must make the decision by 6:00 am or earlier so we can notify radio and TV stations and post the decision on our website. If I wait longer to announce a closing, some parents will have already left for work, leaving their children unsupervised.
TRANSPORTATION
When there are icy or snowy conditions, busses will run on designated snow routes. Check out the transportation web site for snow route information. If you or your teenager normally drive to school, your student is welcome to take the bus on snowy or icy days. Our bus transportation will pick up and drop all Rainier School District students at designated bus stops. You may call Transportation at 360-446-2209 or check our web site for route information.

WILL WE CLOSE SCHOOL IF CONDITIONS WORSEN?
Keep in mind that, even if weather conditions worsen, we cannot reverse our decision in the morning without endangering students. Once we make the decision to open the schools, many parents rely on it and leave for work. If we then send students right back home, many will return to unsupervised bus stops and empty houses. If conditions get worse during the school day, we may need to have an early dismissal, but we will give adequate notice to all parents first. Although my staff and I do our absolute best in this process, we know that often no perfect decision exists. If, based on current weather conditions, you do not feel as though it is safe for your child to attend school, use your best judgment on whether he or she should attend. Also, discourage teenagers from driving in bad conditions and offer them alternatives if weather conditions worsen.

We hope that this explanation helps everyone understand the process that our district staff uses to make the best possible decision for all in our district.

Yours truly,

Bryon Bahr

Nurse’s Notes
Nine signs children may need an eye exam

“More often than not, vision problems go unnoticed until children begin school,” said Associate Professor of Ophthalmology Marcela Frazier, O.D.. “Children grow up naturally adapting to vision issues, so when they get into school and start reading and learning, that is when parents and teachers begin to notice certain problems.”

Here are nine signs children may need an (comprehensive) eye exam:
1. Complaining of headaches
2. Becoming fatigued after reading
3. Poor sports performance
4. Squinting or closing one eye
5. Blinking or rubbing eyes: while trying to concentrate on an activity, particularly reading
6. Poor reading ability and comprehension
7. Poor school performance
8. Holding electronic devices or books too close to eyes: It is a myth that sitting too close to electronic devices can hurt your eyes, but if a child is sitting too close to the TV or holding a book too close to his/her face, it might be a sign of a vision problem.
9. Loss of place while reading: Using a finger to track the words can be typical behavior for a child who is learning to read, but pay attention to this behavior.

Dictionary Project

Members of the Rainier Lions Club handed out dictionaries to Mrs. McNealley’s, Mrs. Mount’s and Mrs. Swanson’s third grade classes. Students were informed that dictionaries are a great source of information that can be used forever. All the students were very excited to learn that the dictionaries were theirs to keep and use in the classroom as well as at home.

The Rainier Lions Club has been handing out dictionaries to students for many years as a way to promote literacy. This service is part of a non-profit nation wide project called “The Dictionary Project”.

A big “thank you” from this year’s third graders!

Storyteller Jim Cogan

Jim Cogan a nationally famous storyteller came to Rainier Elementary to tell stories about social justice and immigration.

Jim Cogan is a former public school administrator, teacher, journalist, naturalist, historian, actor and author to his world as a storyteller.

His oral presentation was often hilarious and yet filled with lots of energy as he moved around the students. All the students enjoyed the voices, gestures and emotions used to tell the story, while listening to the message.
Veterans of Foreign Wars held their annual Patriot’s Pen Essay Contest.

Patriot’s pen gives 6th, 7th and 8th grade students the opportunity to express their opinion on a patriotic theme and improve their writing skills, while they compete for worthwhile awards and prizes. The essay must be a product of their own thinking and original work.

Congratulations to the Selena Niemi, Elizabeth West and Isabel Pacheco-Ortiz for being chosen winners in the “The America I Believe In” essay contest.

The Rainier High School Robotics Team had their first competition on November 4th. The team created a robot that can pickup and move 6 inch cubes and stack them in a designated zone. The team finished 8th out of 17 teams. The next match will be held on December 2, 2017 at Capital High School. The tournament will begin at 1:00pm. Please come and support our Robotics Team.

SKILLS USA Club News

SKILLS USA Club has been really busy this fall. We have been working at Gerrit’s Green Tree Farm, helping them clear out trees damaged by the summer drought. Our president Michael Buter, was just one of the great workers!

Then, we started working on our pumpkin throwing Trebuchet. Once it was complete, we took it to the competition held at Hunter Farms in Union, WA. We wanted to defend our 2016 Pumpkin Fest Catapult Championship Title!

We won the distance contest with a throw of 343’. We took First Place in the design contest and Second Place in the accuracy contest. Our team brought home $1,500 in cash, gift cards and prizes this year.
**Football Concessions**

Many thanks to our loyal Mountaineer Fans for a wonderful season of concessions to benefit RHS Associated Student Body. A special thank you to the Dickerson Family for being our BBQ Team. They are the ones that make sure your Mountie Burger is DELICIOUS!

The concessions were ran by Sandy Rossmaier’s Entrepreneurship students who are all members of the Future Business Leaders of America. Throughout the process students learn to shop, price, prepare and reconcile “their” business with the profits benefiting the general ASB. Those students are Vanessa Champlin, Piper Daub, Annika DeMint, Dakota DuCharme, Tristan McCusker-Carter, Justin Geray, Alison Gibson, Nick Robin-son, Aleahya Webb-Rocha, Haley Suave, Tanna Spivey, Elizabeth Wilkinson and Gabi Wilkinson.

Alison Gibson was this year’s person in charge. She mastered the task of supervising her peers.

**Guest Speakers Enlighten RHS Students**

Rainier High School’s Future Business Leaders of America Chapter hosts a guest speaker each month during their business lunch. In October, Glenda Guerra, owner of Glenda’s Espresso, shared her life experiences that helped her create the business she operated here in Rainier. Glenda spoke about work ethic and integrity, as being two traits that can help you achieve your dreams. Thank you Glenda!

Mrs. Rossmaier’s Senior English Students learned about investing and the stock market from Steve Dobosz. In the two day experience students were able to play the stock market through an on-line simulation. Steve is actively involved with the Yelm Rotary and a dynamic speaker. Thank you Steve for sharing your wisdom.

**CTE Advisory Committees**

Our Career and Technical Education (CTE) Programs at Rainier High School met with some awesome local industry people, who were willing to share their knowledge and skills to help us strengthen our CTE Programs. These volunteers comprise our CTE Advisory Committee.

Our CTE Programs include: Agriculture, Business, Family and Consumer Science, Robotics and Industrial Technology.

On October 10, 2017, the committee met and reviewed the programs of work (goals) for the 2017-2018 school year. They reviewed and approved the CTSO (Career and Technical Student Organizations) plans for the year. It was an enlightening evening and they will meet in February and then again in April to evaluate our programs and facilities.

These CTSO’s are: FFA, FBLA, Interact, Robotics Club and SKILLS USA.

Thank you Advisory Committee for all your hard work!
