Vol. 37 No. 1

September 2020

Dear Rainier Families,

It is with great pleasure and enthusiasm that I welcome you to the 2020-21 school year! In good times and in challenging times, I know that you want the best for your children. You want them to be safe, healthy, and happy. And you want them to always be learning, growing, and getting ready to take on the world. Our schools play such an important role in that, especially now, when the children of our community have been through so much.

For us, health and safety always lead the way. Our vision for the fall is a safe, strong, and supportive learning environment and an excellent education for every one of our students.

The faculty and staff at the Rainier School District have already been hard at work to ensure this school year will be an amazing one. We know that it takes the commitment of both home and school. As partners, we share the responsibility for our students' success, and want you to know that we will do our very best to carry out our responsibilities to meet the academic, social and emotional needs of our students. We would like to welcome all our new families to the Rainier school community! We look forward to providing the very best learning environment and experience for your children.

Our theme for this school year is, Make a Difference – Coming Back Stronger! Focusing on growth, resilience and renewal. This will help remind us of the power we have to grow and flourish in everything we do. Difficulties and obstacles are opportunities to build our strength, perseverance, resiliency, love for others and ourselves. Students are scheduled to begin remote classes on September 1st.

Our teachers are eagerly waiting to meet their students and parents through virtual "Meet and Greet." Please visit the school pages on our District website for pertinent information. Communication between home and school is important. We will provide information to parents via text, email, callouts and the District webpage. Our whole school community at the Rainier School District looks forward to the school year and the privilege of working with your children. Let's make the 2020-21 school year the BEST!

Sincerely,  
Bryon Bahr  
Superintendent

### The Morning Paper

How does a dog know what's going on in the world? Through his nose, of course! So when you walk a dog in the morning, and he's sniffing more than usual? A lot's happened overnight – he's just reading the morning newspaper!

**Q: What's a Burger's Best Friend?**

**A:** It's not cheese, or ketchup, or special sauce! It's a nice, big slice of fresh tomato. Not only does a crisp, cool tomato taste good on a burger, but the vitamin C in tomatoes also makes it easier for your body to use the protein in the meat!

Please allow plenty of time for the background check.

**All adults must have a background check each year and it must be on file before volunteering!**

### Out of District Students

**The Family Educational Rights and Privacy Act (FERPA)** affords parents and students over 18 years of age ("eligible student") certain rights with respect to the student's education records. These rights are:

**The right to inspect and review** the student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parents or eligible student of the time and place where the records may be inspected.

**The right to request the amendment** of the student's education records that the parent or eligible student believes are inaccurate or misleading. To amend a record, the parent or eligible student should write to the school principal (or appropriate official) clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

**The right to consent to disclosures** of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request the school discloses education record without consent to officials of another school district in which a student seeks or intends to enroll. {NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or eligible student of the records request unless it states in its annual notification that it intends to forward records on request.}

**The right to file a complaint** with the US Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office

US Department of Education  
400 Maryland Avenue SW  
Washington DC 20202-4605

#### **Parents right to information regarding their child's teacher or paraprofessional as required by Every Student Succeeds Act, for schools receiving Title I funding.**

Rainier School District complies with the regulations set forth in the Every Student Succeeds Act (ESSA).

Title I, Part A is a federal program designed "To provide all children significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps." Title I, Part A can support early learning and Kindergarten to grade 12. Title I, Part A programs and services provide customized instruction and curricula that helps these students meet academic standards and take an active, engaged interest in what they learn and can do. As the oldest and largest federal education program, Title I, Part A programs build equity of opportunity for children whose struggles often keep them on the academic sidelines. One-third of the public schools in Washington State operate Title I, Part A programs, providing academic services to over 350,000 students annually.

**The Every Student Succeeds Act (ESSA)** replaced No Child Left Behind (NCLB) on December 10, 2015. It is the reauthorization of the Elementary and Secondary Education Act (ESEA). ESSA will be fully operational in school year 2017-18.

**Teacher/Para Qualification:** Parents' Right to Know: Teacher and Paraprofessional Qualifications LEAs and schools inform the parents of Title I, Part A students that they may request, and the LEA and schools will provide, certain information on the professional qualifications of the student's classroom teachers and paraprofessionals providing services to the child. [ESSA Section 1112(e)(1)(A)].

**Limited State Certification & Licensure:** The federal Every Student Succeeds Act (ESSA) of 2015 requires schools who receive Title I, Part A funds to notify parents or legal guardians when their child has been taught for four consecutive weeks by a teacher who has not met state certification/licensure requirements [ESSA Section 1112(e)(1)(B)(ii)].

**What qualifications must a staffer meet to be in a Title 1, Part A program? Teachers:** Under the Every Student Succeeds Act (ESSA), enacted on December 10, 2015, the Highly Qualified Teacher (HQT) definition was eliminated and is no longer a federal requirement. In May, 2016, LEAs were advised to follow state certification and licensure requirements and state assignment policy to be in compliance during the transition from NCLB (No Child Left Behind) and the implementation of ESSA. This requirement applies to all teachers.

**Paraeducators:** Paraeducators in schools that operate a Title I, Part A schoolwide or targeted assistance programs must continue to meet federal standards used under ESSA and are explained in the Title 1, Part A Guide to Paraeducator Requirements.

**Citizen Complaints-Federal Programs:** Complaints that Allege Discrimination-Equity & Civil Rights.

Complaints Related to Federal Programs—A citizen complaint is a written statement that alleges a violation of federal rule, law or regulation or state regulation that applies to federal program.

1. Anyone can file a citizen complaint.
2. There is no form.
3. There is no need to know the law that governs a federal program to file a complaint.

#### **Sexual Harassment Policy**

Rainier School District #307 is committed to a positive and productive education and working environment free from discrimination, including sexual harassment. The district prohibits sexual harassment of students, employees and others involved in school district activities.

**Sexual harassment occurs when:** submitting to the harasser's sexual demands is a stated or implied condition of obtaining an education or work opportunity or other benefit;

**submission** to or rejection of sexual demands is a factor in an academic, work or other school related decision affecting an individual;

unwelcome sexual or gender-directed conduct or communication interferes with an individual's performance or creates an intimidating, hostile or offensive environment.

Sexual harassment can occur adult to student, adult to adult, male to female, female to male, male to male and female to female.

The Rainier School District will take prompt, equitable and remedial action within its authority on reports, complaints and grievances alleging sexual harassment that come to the attention of the district, either formally or informally. Allegations of criminal misconduct will be reported to law enforcement and suspected child abuse will be reported to law enforcement or Child Protective Services.

Engaging in sexual harassment will result in appropriate discipline or other appropriate sanctions against offending students, staff, and contractors. Anyone else who engages in sexual harassment on school property or at school activities, will have their access to school property and activities restricted as appropriate.

Retaliation against any person who makes or is a witness in a sexual harassment complaint is prohibited and will result in appropriate discipline. The district will take appropriate action to protect those involved.

#### **Child Find**

Does your child have a recorded history of/or have a physical, mental or developmental impairment or a disability that has a major impact on learning, walking, vision, hearing, breathing, working, and caring for oneself or performing manual tasks? Even if your child does not have a disability, does your child possess certain characteristics that would somehow cause others to treat him or her as if they did have an impairment?

If you answer yes to either of the above questions, your child may be eligible for special education, related services and/or specialized education accommodations.

The regulations to determine eligibility are:

Individual with Disabilities Educational Act  
Section 504 of the Rehabilitation Act of 1973

If you would like to make your child a focus of concern or to refer your child for screening, please contact the Special Services Office at the number listed below. Children from birth to age 21 may be eligible for specialized programs.

Rainier School District #307 Special Services, 360-446-7406

#### **Dangerous Weapons Policy**

The legislature passed a law designed to protect students and school staff from the threat posed by guns, knives, and other dangerous weapons on school campuses. The law states that any student who has in his or her possession potentially dangerous weapons on school property will be subject to expulsion from all public schools in the state of Washington. We have not experienced the tragedies and other types of problems some schools have faced because of the presence of dangerous weapons. We do, however, have students who routinely carry pocket knives to school. PLEASE LEAVE THEM AT HOME. Rainier schools are committed to providing a safe place to learn and work. We also do not want any of our students to forfeit their opportunity of attending Rainier or any other public school. **DO NOT BRING ANY POTENTIALLY DANGEROUS WEAPONS OR ANY ITEM WHICH SIMULATES A DANGEROUS WEAPON TO SCHOOL OR ANY SCHOOL SPONSORED EVENT.**

We also take seriously any form of verbal threat such as: "I am going to get a gun and shoot you," or "I'm going to bring a gun to school," or "I have a bomb." We treat these actions as though they were real threats and school officials will take appropriate measures to ensure the safety and well being of other students and staff. **DO NOT SAY AS A JOKE ANY THREATENING WORDS THAT COULD BE MISTAKEN FOR THE REAL THING.** Students will receive appropriate discipline when using words of a threatening nature. Bringing a dangerous weapon to school will result in a one year mandatory expulsion. If you have any questions regarding this law and district policy, please contact the school principal. RSD #307 Policy:4210 Section: 4000—Community Relations.

#### **Nondiscrimination Policy Statement**

Rainier School District does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups. The following employee(s) have been designated to handle questions and complaints of alleged discrimination.

Rainier School District's Coordinators; Title IX— Jerrad Jeske, 504-John Beckman, ADA & Bilingual-Kim Sackett.

#### **Release of Student Records**

The following directory information may be released by the district unless a student's parent requests in writing that such information not be released:

1. The student's name, address and telephone number.
2. Date and place of birth.
3. Major field of study.
4. Participation in officially recognized activities and sports.
5. Weight and height of members of athletic teams.
6. Date of attendance.
7. Degrees and awards received.
8. The most recent previous educational agency or institution attended by the student.

At least once a year, parents shall be notified of their rights to request that a student's directory information not be released without their prior consent.

#### **Vandalism and Property Damage**

Students who destroy, injure, steal, or vandalize school property or the property of others will be required to pay for losses or damages.

Grades, diplomas and transcripts of students may be withheld until damage charges have been paid by the student or student's parents or guardian.

The defacing or writing on school private property under school jurisdiction is prohibited. The student shall be subject to suspension or other disciplinary action. This section is governed by RCW 28A.87.120.

#### **Student Grooming and Dress**

The primary responsibility for school dress and grooming rests with parents and guardians of our students. The school's responsibility is not to permit dress and grooming which is disruptive to the educational process or to the health, safety, or propriety of our students. The principal will determine if questionable attire is acceptable. Specific dress requirements include:

1. Shoes must be worn at all times. No heellies, cleats, slippers or flip flops. They are not safe.
2. Hats and sunglasses may be worn to and from school only, not in the building.
3. Students will be fully clothed from shoulder to mid thigh. Skin tight clothing, spandex, leotards, cycling shorts, short shorts, short skirts and tops exposing the midriff are not adequate clothing. Pants, jeans and slacks that are large enough to fall over the hips and expose under garments are not acceptable and need to be kept up with a belt. Tank tops with large arm holes and/or spaghetti straps are unacceptable.
4. Dress that portrays profanity, illegal or inappropriate Innuendo, acts or substances (drugs/paraphernalia, alcohol, tobacco), is gang related (altered clothing, gang colors, sagging pants, bandanas, etc.), or otherwise creates an impression of disrespect to religion, sex, or ethnicity is prohibited.

Students in violation of the above dress standards may be held out of class or sent home to change. Tardiness or absence because of dress code violations will be unexcused.

**A Safe Ride to School**  
**Rainier School District 2020-2021**

Dear Rainier Families,

I hope you had a fantastic summer. Our Transportation Department is made up of excellent people who are ready to serve our community for 2020-2021 school year. I am very proud of the job they are doing everyday. My focus remains on the safe transportation of our students, and people who love what they do, and take pride in it.

We will continue to utilize the system for supporting, tracking, and communicating student behavior on the bus. The details of this system are outlined in the following document.

I am looking forward to another exciting school year. If you have any questions, please feel free to contact me at 446-2209.

Bob Marney, Transportation Supervisor

**Getting Started**

You can find out which bus your child should ride, or the times and location of your child's bus stop by calling our Dispatcher at 360-446-2209.

**General Information**

School bus routes are planned to provide the safest, most efficient and cost effective service under all weather and road conditions. Students typically ride the bus 30 to 60 minutes each way. Riding times may occasionally be longer due to unforeseen circumstances.

Students should utilize the bus stop closest to their residence. Those who need to be dropped off at a location other than their original stop must have special permission, which may be granted after the parent/guardian has notified the school office. Your student will then be given a bus pass from the office and they will need to give this pass to the driver. These bus passes are valid for one day or a specific period of time that is listed on the pass.

**Video Monitoring**

Starting with the 2012-2013 school year, all of the Rainier School District buses will utilize video monitoring. Any students or adults riding the bus may be recorded. This measure is taken to help ensure the safety of our students.

**In the Morning**

Students need to be at their designated bus stop no later than five minutes before the scheduled pick-up time. When they see the bus coming, students need to form a line starting well back from the edge of the road. Unfortunately, buses cannot wait for students who are not at the bus stop.

**After School**

When the school day ends, students need to go to their buses without delay. The buses will be pulling away from campus approximately 5-7 minutes after the dismissal bell rings.

**Student Management**

Student management procedures are designed to help ensure that each child has a safe, positive experience on our buses. Involving parents/guardians at the start of a discipline issue helps decrease the chance of more serious disciplinary problems, which may result in suspension from transportation services. Therefore, it is important that the schools have updated phone numbers for parents/guardians.

**Rules and Regulations**

Students are expected to follow the same general rules at bus stops and on the buses, as they are in the classroom. Students who misbehave may lose their bus riding privileges.

1. For the safety of everyone on the bus, students must comply with the directions of school personnel while riding on the bus.
2. Students must remain seated while riding on the bus.
3. Water is the only thing that students may eat or drink while riding on the bus.
4. Students may not transport balloons, glass objects, or animals on the bus.

5. Students must remain clear of the main aisle while riding on the bus.

6. Students must keep their hands, feet and heads inside the bus at all times.

7. If students are using electronic equipment while riding on the bus, it must not disrupt the driver or others.

**Progressive Discipline**

When students are out of compliance with the Rules and Regulations for riding on the school bus, they will receive progressive discipline according to the chart listed in Appendix A. Each instance of progressive discipline will remain on the student's record for a period of two months.

**Extreme Behaviors**

Certain extreme behaviors, including but not limited to the following, will result in immediate suspension from the bus.

- Refusing to comply with school personnel
- Possession or use of alcohol or drugs
- Fighting or assault of others
- Smoking or chewing tobacco
- Spitting
- Vandalism
- Possession of a weapon
- Making racist, sexist, or discriminatory remarks or actions
- Bullying

**Bus Service During Bad weather**

Parents/guardians need to plan for changes in bus schedules and routes during snowy/icy conditions. Changes in district operating hours or bus service are announced on the Public Schools Emergency Communication System at [www.schoolreport.org](http://www.schoolreport.org) and on the district website at [www.rainier.wednet.edu](http://www.rainier.wednet.edu). This same information is also broadcast to all major local television and radio stations. You can set up a custom email or text notification by visiting [www.schoolreport.org](http://www.schoolreport.org) and signing up for their free notification service. Every effort is made to get information out to families as soon as possible, however sometimes conditions may change. If the start of school is delayed, please check back later that morning to see if changing conditions forced the district to go ahead and close for the day.
