Food Drive Success!

Mr. DesRocher (Tenino HS) and Mrs. Rossmaier (Rainier HS) challenged each other's Leadership Classes to a food drive.

During the traditional November Food Drive, Rainier brought in about 2000 pounds of food, unfortunately RHS fell short of Tenino's 4500 pounds. Therefore, the challenge was on for a re-match.

Collaboratively, both schools decided to run a March Food Drive for the entire month and allow donations directly to the food banks to add to their score. This made it really nice, as many folks delivered directly there.

Chairperson's Alyssa Lofgren and Lauren Pericic did a fantastic job. They put bins at the post office, city hall and outside the high school commons. This was a change from inside Rainier Market and the Exxon. Plus all bins were emptied daily. This time around, folks were able to make cash donations that would count as 1 pound for each dollar.

This sparked Mathis Bosch (a sophomore) to choose his quarter's leadership pride project to contact area businesses to secure some cash to add to our total. He contacted more than 20 businesses and raised over \$800. WOW!! That certainly helped the food bank have money to purchase the needs that were not met through donations of products.

On March 31st, the drive ended with Rainier collecting \$3,022.20 in cash donations and 7,389 pounds of canned goods. For a grand total of 10,411.20 pounds for Rainier. Tenino collected 7,306 pounds/dollars combined. RAINIER WINS!!!

Even though this has been a crazy year, we managed to help feed both Tenino and Rainier Communities!

Thank you to all the businesses that donated!!

Congratulations!!

SkillsUSA Club

The SkillsUSA Club members of Rainier High School made good on the delivery promise.

John Schock and Ida Crigger donated some fir trees this year to REF auction for firewood. Ed Kenney was the winner of the firewood.

Pictured is the group that chopped, stacked and delivered the cord of wood to Mr. & Mrs. Kenney.
